“ Oh Our Sweet JO , She had a Beautiful Soul , Never spoke a mean word about anyone , And was a friend to Everyone . We graduated together and rode the same bus All our lives , Was in Band also , Swinging those 10 foot flags was a job . But we had so much fun . Our boys were born at the same time. So we had Alot of late night talks . We had a good one , one night about why GOD had let her have another day . She was torn cause she knew for some reason he gave her a Miracle. But was praying the answer would be clear . Well JO , you got your answer , He used you to Prove Miracles Really Do happen . That there is power in prayer , And I know this Miracle , saved Alot that weren't sure of their path . You our Sweet JO will live on Forever in our hearts and Memories . Until we meet again Fly high , and enjoy the Peace he promises . Prayers for All her family , a big part of there lives is Missing now .

“ So heartbroken to learn of Joanna's passing. I will always remember being in the West Nassau Band when we were in high school. We had so much fun as flaggirls! I will always remember Joanna and her beautiful smile. She had a way of making you feel special. Heaven has gained a sweet angel. R.I.P. Debra Rowe Thomas
